

## **ELECTION OF DIRECTORS - 2018**

A nomination has been received by the Secretary from Sunita Shier, who has expressed a wish to be elected as a Director of the Hall and has submitted a Nomination form within the prescribed period, including the statement below in support of her election.

### **Statement by SUNITA SHIER:**

I admire the progress that has been made over the last 5 years and am keen to contribute to the future success of the Hall. I'm particularly interested in helping to increase the number and range of events and activities.

I have worked in the Civil Service for over 20 years and hope that my experience in developing and implementing strategy will be useful for a Director's role.

*Sunita Shier - 10/09/2018*

## **RE-ELECTION OF DIRECTORS - 2018**

According to our Rules, at least one third of the Directors elected by the members must stand down at each AGM. Of the three Directors standing down at the 2018 AGM only one - Norman Wright - has expressed a wish to continue in their current role, is seeking re-election and has submitted a statement (below) in support of their re-election.

### **Statement by NORMAN WRIGHT:**

My association with the Hall began over 50 years ago when I became a member of the Life Boys (and then afterwards the Boys Brigade), and as a result I have great affection for the building and great respect for the important role it plays in the local community.

Currently, I am mainly responsible for maintaining the Hall website, producing the Newsletter and publicity materials, and ensuring compliance with the recent GDPR legislation. As relaxation, on occasions I also serve behind the bar!

It has been a privilege to have served as a Director of the Hall for the last two years, and I would like the opportunity to be able to contribute to the Hall's continued success in the future. I therefore hope you will support my re-election.

*Norman Wright - 03/09/2018*

**Please note, no other nominations for Director have been received  
by the Hall Secretary.**
